

## MISSION

To joyfully bring diverse people together to build community, to advance understanding, public storytelling and the arts, & to protect our historic buildings.

## ILLUMINATING & UPLIFTING THE COMMUNITY AROUND US

The preservation and operation of the historic Michigan and State movie theaters, performance and gathering spaces in the downtown areas have significant economic impacts. Marquee Arts:

- + Attracts out of town visitors and tourism which increases foot traffic and spending at nearby businesses such as restaurants, cafes, and shops
- + Enhances and increases the property values of surrounding businesses and residential properties
- + Plays a pivotal role in the revitalization of the Downtown, fostering community pride and encouraging further investments in urban development and infrastructure improvements

The Michigan and State Theater marquees are both cultural and iconic landmarks that are frequently photographed by professionals, students and visitors.

## BECOME A PART OF A NEW LEGACY
