

# MEMBERSHIP FAQ

## Why is the membership program changing?

Our updated membership program is designed to provide more meaningful, consistent value while ensuring your support continues to sustain the Michigan & State Theatres for years to come.

## When do the new memberships begin?

The new membership model launches **September 1, 2026**. Your current membership benefits remain active until their expiration, at which point you'll choose the membership level that best fits you.

## Will I lose my benefits?

Many benefits have been refreshed—not removed—to focus on exclusive experiences, flexible preloaded tickets, concessions, early access, and other perks that enhance your visits while supporting the long-term health of the theaters.

## Will I still save money?

Yes! Every membership level provides benefits valued above the cost of membership, while also helping preserve our historic theaters and nonprofit mission.

## What is a preloaded ticket?

As a member, you will receive a set number of tickets annually or monthly depending on your membership level. These tickets are tied to your member account and can be redeemed for film screenings on any day of the week.

## Do preloaded tickets and concession benefits expire?

Yes. Preloaded tickets and concession combos are valid throughout your membership year and expire at the end of your membership term. Unused benefits do not roll over.

## Does my membership still support the theaters?

Absolutely. Your membership directly supports the Michigan & State Theatres, helping us preserve our historic venues while continuing to offer innovative films, live events, and community programming.

## What are the reciprocal Arthouse benefits?

The Michigan & State Theaters belong to the Art House Convergence Visiting Members (VMP) program. This program allows members from participating theaters to visit other participating theaters around the country and purchase tickets at the member discount and allows access to any other member benefits the “visited” theater chooses to offer. You can find a list of participating cinemas and more information at:

## What is a NARM Membership?

The Michigan & State Theaters are a participating institution in the North American Reciprocal Museum (NARM) Association®. NARM is a network of hundreds of cultural institutions across Bermuda, Canada, the Cayman Islands, Puerto Rico and the United States, who come together to allow their members to receive select membership benefits at all NARM member institutions across North America.
